MEMORANDUM FOR: Executive Director

SUBJECT : Participation on the Coordination Staff

REFERENCE : Action Memorandum No. A-33, dated
15 August 1962

25X1A The question of DD/R participation on the Coordination Staff has been discussed with General Balmer. In view of the present uncertain and limited personnel situation within DD/R, it was agreed that for the present it would be undesirable to assign a full-time DD/R representative to the Coordination Staff. Instead, it was agreed to designate [REDACTED] of my office as the focal point within the DD/R for dealing with the Coordination Staff. This procedure will be reviewed in a year after DD/R organization may have settled down.
